Sec. 912. Driver Requirements.

A person employed as an ambulance or routine medical transport vehicle driver shall possess a current valid ambulance driver's license issued by the Department of Motor Vehicles.

Effective six months from the date of enactment of this ordinance, all persons employed as an ambulance driver shall have successfully completed an EMT-1A course accredited by the State of California Department of Health.

APPROVING AND AUTHORIZING THE EXECUTION OF A PROJECT LEASE, APPROVING THE ISSUANCE OF BONDS; FINDING THAT CONVENTION CENTER WILL BE OF BENEFIT TO THE PROJECT AREA AND THAT THERE IS NO OTHER REASONABLE MEANS OF FINANCING SAID FACILITY; FINDING THAT VOTER APPROVAL IS NOT REQUIRED; AUTHORIZING AND RATIFYING EXECUTION OF DOCUMENTS REASONABLY NECESSARY FOR THE ISSUANCE, SALE AND DELIVERY OF BONDS, ALL IN CONNECTION WITH YERBA BUENA CENTER.

Be it ordained by the People of the City and County of San Francisco:

Section 1. In accordance with the recommendation of the Chief Administrative Officer of the City and County of San Francisco (hereinafter referred to as "City") the form of Project Lease presented to this Board of Supervisors, copies of which are on file with the Clerk of the Board of Supervisors, is hereby approved. The Mayor is hereby authorized to execute and the Clerk is hereby directed to affix the seal of the City and to attest the Project Lease in substantially the form hereby approved or with any changes made by the City Attorney pursuant to Section 2.

Section 2. The City Attorney is hereby authorized to make any changes that hereafter become necessary in the interests of the City which changes do not materially affect the substance or materially increase the obligations of the City and to conform all documents for final signature by the parties to the Project Lease, including, without limitation, alteration of Exhibit A to said form of Project Lease to conform to any title insurance requirements, and such approval to be conclusively evidenced by such execution.

Section 3. The Department of City Planning has reported that the project described in the lease is in conformity with the master plan.

Section 4. The Board of Supervisors hereby finds and determines that a convention facility to be built within the Yerba Buena Center Redevelopment Project Area will be of benefit to the Project Area and

that the approvals pursuant to Sections 1 and 7 of this Ordinance constitute the first major implementing action of the Yerba Buena Center Redevelopment Project and the Board of Supervisors further authorizes the Redevelopment Agency to pay for the land upon which the convention center will be constructed and the costs of the installation and construction of the convention facility.

Section 5. The Board of Supervisors hereby finds and determines, upon the recommendation of the Chief Administrative Officer, that there is no other reasonable means of financing the construction of said convention facility within the Yerba Buena Redevelopment Project Area, taking into consideration the size of the bond issue and reports of the Financial Consultant to the Chief Administrative Officer and the adoption of Proposition "S" by the electorate of the City; a declaration of policy which, among other things, provided that the City would construct a convention exhibit hall at Yerba Buena Center using a four percent (4%) hotel room tax to finance lease revenue bonds.

Section 6. The Board of Supervisors placed Proposition "P" on the ballot in 1976 wherein it was provided that lease revenue bonds could be issued without a vote of the electorate if the lease financing was approved in principle by a resolution adopted by the Board of Supervisors prior to April 1, 1977 so long as the resolution described in general terms the public improvements to be financed. The voters adopted Proposition "P" in 1976 which, among other things, added Section 7.309 to the Charter. On March 14, 1977 this Board of Supervisors adopted Resolution No. 186-77 which approved in principle the construction of a convention exhibit hall together with all works necessary or convenient for the operation of said exhibit hall to be financed by lease revenue bonds. The Board of Supervisors hereby finds and determines that Resolution No. 186-77 meets the requirements

JUN 12 1978

of Proposition "P" and, in particular, the requirements of Section 7.309(c) of the Charter and, therefore, no voter approval of this ordinance is required.

Section 7. Issuance of not to exceed $97,000,000 principal amount of Redevelopment Agency of the City and County of San Francisco Yerba Buena Center Lease Revenue Bonds Series of 1979 is hereby approved.

Section 8. The Mayor, Chief Administrative Officer, Clerk of the Board of Supervisors, City Attorney, City Controller, Director of Public Works and Director of Property are each hereby authorized and directed in the name and on behalf of the City to take any and all steps and to issue and deliver any and all certificates, requisitions, agreements, notices, consents, and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of said Bonds.

Section 9. All actions authorized and directed by this ordinance and hertofore taken are hereby ratified, confirmed and approved by this Board of Supervisors.

Section 10. This ordinance is subject to the provisions for referendum applicable to the Board of Supervisors of the City pursuant to Section 9.108 of the Charter of the City.

Section 11. This ordinance shall be published once, within fifteen (15) days after the adoption hereof, in the San Francisco Examiner, a newspaper of general circulation, published within the

AMENDING PART III, ARTICLE 7, OF THE SAN FRANCISCO MUNICIPAL CODE BY AMENDING SECTIONS 502 AND 515 THEREOF, RELATING TO THE IMPOSITION AND RATE OF TAX AND TO THE ADMINISTRATION AND AUTHORITY OF TAX COLLECTOR GENERALLY; HOTEL ROOM TAX FUND ALLOCATIONS THEREFROM; PROVIDING FOR OPERATIVE DATE OF JUNE 30, 1978.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part III, Article 7, of the San Francisco Municipal Code is hereby amended by amending Section 502 thereof to read as follows:

SEC. 502. Imposition and Rate of Tax. There shall be paid a tax of six percentum (6%) on the rent for every occupancy of a guest room in a hotel in the City and County prior to June 29, 1978, and a tax of eight percentum (8%) on the rent for every occupancy of a guest room in a hotel in the City and County on and after June 30, 1978.

When rent is paid, charged, billed, or falls due on either a weekly, monthly or other term basis, the rent so paid, charged, billed or falling due shall be subject to the tax of six percentum (6%) herein imposed to the extent that it covers any portion of the period prior to June 29, 1978, and to the tax of eight percentum (8%) herein imposed to the extent that it covers any portion of the period on and after June 30, 1978, and such payment, charge, bill or rent due shall be apportioned on the basis of the ratio of the number of days falling within said periods to the total number of days covered thereby. Where any tax has been paid hereunder upon any rent without any right of occupancy therefor, the Tax Collector may by regulation provide for credit or refund of the amount of such tax upon application therefor as provided in Section 514(f) of this Article.

The tax of eight percentum (8%) for every occupancy of a guest room in a hotel in the City and County of San Francisco shall be reduced to six percentum (6%) after July 1, 1979 if the Chief Administrative Officer shall certify to the Tax Collector by June 15, 1979 that, as of that date, lease revenue bonds supporting the construction of a convention center in the Yerba Buena Center Redevelopment Project Area have not been sold and delivered.

Section 2. Part III, Article 7, of the San Francisco Municipal Code is amended by amending Section 515 thereof to read as follows:

SEC. 515. Administration and Authority of Tax Collector Generally; Hotel Room Tax Fund Allocations Therefrom. The Tax Collector shall enforce the provisions of this Article and may prescribe, adopt, and enforce rules and regulations relating to the administration and enforcement of this Article. The Tax Collector may prescribe the extent to which any ruling or regulations shall be applied without retroactive effect.

The Tax Collector shall transmit all moneys collected pursuant to this Article to the Treasurer for deposit to the credit of a fund to be known as the Hotel Room Tax Fund. Such fund shall be used solely for the following purposes:

(1) Commencing on June 30, 1978 fifty percentum (50%) of the total amount of the monies credited to the Hotel Room Tax Fund which are attributable to occupancies on and after June 30, 1978 shall be specifically allocated to and set aside for the following purposes:

(a) Prior to the commencement of Base Rental (as such term is defined in the Project Lease between the City and County of San Francisco (hereinafter referred to as "City") and the San Francisco Redevelopment Agency) for the acquisition, construction and financing of a convention center within the Yerba Buena Center Redevelopment Project Area

[hereinafter referred to as "Project Area"], together with all excavation, filling, works, properties and structures necessary or convenient therefor, and for the preparation of architectural plans, engineering studies and such other and further expenses relating to the financing, construction and completion of said convention center; and

(b) After commencement of Base Rental under said Project Lease, for Base Rental and Additional Rental as provided for in said Project Lease, and for all expenses reasonably related to operation, maintenance and improvement of said convention center.

The monies allocated and set aside pursuant to this subsection (1) are appropriated to the Office of the Chief Administrative Office, which is hereby authorized to expend such monies for the purposes set forth in this subsection (1).

(2) Commencing June 30, 1978 six point twenty-three percent (6.23%) of the total amount of the moneys credited to the Hotel Room Tax Fund, attributable to occupancies on and after June 30, 1978, pursuant to this Article for a period of not to exceed thirty (30) years, less $60,000 a year, shall be specifically appropriated to the office of the Chief Administrative Officer to facilitate the construction of low-income housing in the Project Area and on certain parcels adjacent thereto, including, as may be necessary, payments for architecture, engineering, maintenance and operation, construction, financing and rent supplements for low-income households; provided, however, expenditures of the funds derived from the allocation set forth in this subsection (2) are to be made in accordance with the following budgetary limitations:

(a) The first available funds shall be used exclusively to facilitate development of low-cost housing in the Project

Area and on certain parcels adjacent thereto, including, but not limited to, expenses pertaining to the preparation of architectural and engineering programs, plans, specifications, estimates, land acquisition and expenses incurred by the City.

(b) The funds next available in excess of the amount required for the purposes described in (a) above shall be used exclusively to finance the construction of low-cost housing in the Project Area and on certain parcels adjacent thereto, including lease rental payments in support of Redevelopment Agency bonds [in the maximum principal amount feasible pursuant to the Controller's estimate of future revenues to be derived from six point twenty-three percent (6.23%), of the Hotel Room Tax Fund less $60,000 per year provided for in this subsection (2)], or, alternatively, mortgage payments for other financing used to facilitate the construction of housing; and also including costs of maintenance, operation, furniture and equipment relative to said housing and the administrative costs thereof.

(c) The funds next available in excess of the amount required for the purposes described in (a) and (b) above shall be used to provide the funds necessary to reduce rentals in one hundred percent (100%) of the units of housing constructed in the Project Area and on certain parcels adjacent thereto to rent level categories equivalent to those then in effect in public housing in the City.

(d) The funds next available in excess of the amount required for the purposes described in (a), (b) and (c) above shall be retained in a maintenance, operation, furniture and equipment reserve fund which shall be allowed to accumulate in the maximum annual amount of $100,000 up to a maximum

collective amount of $1 million to insure the maintenance and operation of the housing constructed in the Project Area and on certain parcels adjacent thereto.

(e) The funds next available in excess of the amount required for the purposes described in (a), (b), (c) and (d) above may be applied, at the sole option of the City, to the early retirement of bonds or other evidence of indebtedness used to finance low-cost housing in the Project Area or certain parcels adjacent thereto; or may be applied to pay for bridges, ramps, concourse and landscaping to further enhance the convention center in the Project Area.

(f) Notwithstanding any other provision of this subsection (2), to the extent that the City becomes obligated to make lease rental payments to the Redevelopment Agency in support of Redevelopment Agency low-income housing lease revenue bonds or a series of such bonds, the obligation of the City to make the appropriate allocations referred to in this subsection (2) shall be deemed proportionately discharged. In the event that such bonds are paid and discharged prior to maturity, the foregoing obligation to make such appropriations and allocations shall be deemed to be proportionately discharged.

(g) In the event that other public and private funds in the future become available to construct or otherwise subsidize the low-income housing and related expenses hereinabove referred to, the Redevelopment Agency or the City may use such funds in lieu of the proceeds of the sale of the Redevelopment Agency low-income housing lease revenue bonds hereinabove described, and, to the extent that such funds become available and are utilized, the obligations of the Redevelopment Agency and the City to finance the low-income housing hereinabove described shall be deemed to be proportionately discharged.

(3) Commencing on June 30, 1978, $160,000 per year for a period of five (5) years, not to exceed a total sum of $800,000, shall be specifically allocated and set aside by the Chief Administrative Officer for rent supplements for low-income households or other subsidies which may be required for transfer to the rent supplement program under the jurisdiction of the Mayor for administration and rent supplements and leases, such administration cost not to exceed ten percent (10%) of the total sum allocated for rent supplement and leases.

(4) Commencing on June 30, 1978 an additional $100,000 per year for a period not to exceed thirty (30) years shall be set aside to the office of the Chief Administrative Officer for use in facilitating the production of low-income housing in the Project Area and on certain parcels adjacent thereto, as provided for in subsection (2) above and this subsection (4).

(5) Any unexpended balances remaining in the allocations as set forth in subsections (1), (2), (3) and (4) at the close of any fiscal year shall be deemed to be provided for a specific purpose within the meaning of Section 6.306 of the Charter and shall be carried forward and accumulated in said allocations for the purposes recited herein. Any moneys previously allocated pursuant to the provisions of Ordinances No. 225-73 and No. 502-76 shall be carried forward by the Controller for the uses specified in subsections (1), (2), (3) and (4).

(6) Commencing on June 30, 1978 six point twenty-three percent (6.23%) of the total amount of the moneys collected and deposited in the Hotel Room Tax Fund, attributable to occupancies on and after June 30, 1978, shall be specifically allocated and set aside for Base Rental and Additional Rental as provided in the 1977 Amended Park Lease between the City and County of San Francisco and San

Francisco Stadium, Inc. for the improvement and expansion of the Recreation Center located at Candlestick Park.

(7) Administration of the provisions of this Article, cost of which shall not exceed point six percent (.6%) of the total amount collected.

(8) Refunds of any overpayment of the tax imposed hereunder.

(9) The balance of the moneys credited to the Hotel Room Tax Fund, after provision has been made for the purposes specified in subsections (1), (2), (3), (4), (5), (6), (7) and (8) of this Section, shall be appropriated to the office of the Chief Administrative Officer for publicity and advertising purposes pursuant to the provision of Section 3.201 of the Charter.

The Chief Administrative Officer is hereby authorized and directed to expend from moneys appropriated in Section 515(9) those sums in his discretion deemed necessary to evaluate and review cultural, artistic or advertising programs funded for publicity and advertising purposes.

(10) After the specific purpose allocations and accumulations required by subsections (1), (2), (3), (4) and (5), and after appropriations have been made for the purposes set forth in subsections (6), (7), (8) and (9), all remaining Hotel Tax revenues shall be appropriated to the General Fund.

(11) If the Chief Administrative Officer shall certify to the Tax Collector in accordance with Section 502 that prior to June 15, 1979 lease revenue bonds supporting the construction of a convention center in the Project Area have not been sold and delivered, then commencing July 1, 1979 the allocations set out in subsections (1), (2), (3), (4), and (6) shall revert to the following percentages and lump sum allocations with respect to the money credited to the Hotel
